Unwrap \$800K this Christmas!

No need for a receipt, we already **KNOW** you'll love this gift.

Christmas presents aren't always what they're cracked up to be, but with Deaf Lottery 226, you could unwrap \$800K! Whatever you've been dreaming of, you've got the power to decide your prize. Maybe that's early retirement, or first-class tickets, or unlimited time to explore the coast in your new campervan. And while you're busy designing your dream, you're also making a difference in the lives of others.

Deaf Lottery is the major fundraiser for Deaf Connect, Australia's largest service provider for Deaf, deafblind, and hard of hearing Australians. All year round, your support helps fund services, programs, and initiatives for the community - at every stage of life.

Auslan Storytime: Equal Access for Deaf Children

One of the programs you're supporting is Auslan Storytime - bringing the magic of sign language storytelling to life.

We all know that early literacy development for little learners is critical. But one issue some Deaf children face is limited access to programs and events that use Auslan. While many children use hearing devices, these don't provide full access to sound in all environments. Without opportunities to engage with sign language, Deaf children may experience increased listening fatigue or feel excluded from learning experiences.

Auslan Storytime is a great way to get access to literacy through Auslan and English. Led by a Deaf presenter and accompanied by an Auslan Interpreter, the program brings stories to life through the beauty of sign language. Each session creates a bilingual space where everyone can learn and participate, whether they're Deaf or hearing. Our organisation has proudly partnered with several libraries across Queensland, New South Wales, the Northern Territory, and Western Australia to deliver more of these sessions across the country.

Deaf Connect's General Manager for Community and Capacity, Andrew Wiltshire, explained what makes Auslan Storytime so important:

"These sessions give Deaf and hard-of-hearing children the chance to see a Deaf role model, while supporting the development of their early literacy and communication skills. Library story times are incredibly popular for young families. Auslan Storytime offers that same joy, but in a space where Deaf kids can belong and build friendships with one another."

"The majority of Deaf children are born into hearing families, so these sessions are also an opportunity for families to meet others who've had similar experiences, and build their connections to the Deaf community. Learning Auslan together strengthens family bonding and creates a sense of belonging for everyone."

With your support, Deaf Connect's Auslan Storytime program was recently able to expand to Perth. Thirty-seven families attended the first session in late June, and we can't wait to see more join in the future.

Thanks for contributing to a more inclusive society. Make your impact and support the Deaf Lottery today!
